Chapter 1 by Reagan Henderson

"Jordan! Jayden! Dinner's ready!" Jordan and Jayden's mom yelled. "Coming!" Jordan and Jayden ran down the two flights of stairs leading into the kitchen. Jordan and Jayden were brother and sister. And if you can tell who's who... then let's see you guess. If you guessed Jayden is the sister and Jordan is the brother, you're wrong. It's the other way around. Jordan and Jayden loved to arch and shoot bows and arrows. But what they wanted most of all, was to be in The Arching Games.

"Chicken again? Come on mom... can't we have something else? Like maybe pizza? And ice cream?? Can't we?" Jayden said complaining. "Jay you know we can't have any of that. Ever since the government took everything away except for the things we need...they only left us 20 dollars. We need to save it."

So, after that, Jordan and Jayden and their mom sat down and began to eat. Until, the government yelled into their home. "Come out Or we will come in ourselves! We want the whole family out here! This is important to your children and family! Come out now!" A federal soldier called out.

So, Jordan and Jayden went upstairs. Their younger siblings, Kaki and Gory. Kaki followed Jordan down stairs and out the door. And Gory did the same with Jayden. "Ok, now that we have everyone..."

The whole Jyuan family whispered to what the news might be. But they never expected it to be this.

"The President and General have decided, by their own means, that Jordan and Jayden, the most powerful Archers in this neighborhood, be declared as two of The Arching Games players." Said the federal soldier.

Jordan and Jayden stood there shocked at what they just heard. "Pack up your things, Jordan and Jayden and come with us." The federal soldier called. The Jyuan family walked inside talking about what had just happened. Jordan and Jayden slipped upstairs into their bedroom and started packing.

Jordan packed: A water bottle, one pair of clothes, an Arching Games necklace, a wrist band, her bow and arrows, her Arching clothes, a journal, etc.

Jayden packed: A water bottle, a pair of clothes, his bow and arrows, his Arching clothes, a knife, etc.

Jordan and Jayden waved goodbye to their family and hugged their mom. Saying their goodbyes to her. Jordan hugged Kaki, and Jayden hugged Cory. Then they switched saying "I love you Kaki and Cory, take care of mom. Ok? Can you handle it? No matter what. You guys are brave souls and will always be. Take care." And with that, Jordan and Jayden walked outside with the government and walked with them to the Council building. Where they would be getting ready for The Arching Games.
